

SOURAV GHOSH

PROFESSIONAL SUMMARY

Possessing a quick learning ability, enabling rapid acquisition of new skills when required. Additionally, known for strong work ethic and dedication. Straightforward communication style ensures effective collaboration within the team. Overall, skills and communication abilities make me a strong candidate.

EDUCATION

B.Tech in Computer Science & Engineering, Computer Science And Engineering, Expected in 07/2026

Guru Nanak Institute of Technology, Kolkata - Kolkata

CERTIFICATIONS

- ❖ **NPTEL** : Artificial Intelligence : Search Methods For Problem Solving (IIT MADRAS)
- ❖ **Machine Learning** : Simplilearn | Skillup
- ❖ **Generative Ai**: Simplilearn | Skillup
- ❖ **DSA**: Coursera

PROJECTS

Crop Prediction System: crop prediction Model using Machine Learning Algorithm and Frontend Using HTML,CSS,JS and Flask Framework.....

(GitHub Link : [GitHub - sourav9098/cropml](https://github.com/sourav9098/cropml))

ML Pipeline: Machine learning Model deployment using CI/CD pipeline and using DVC pipeline

(GitHub Link : [GitHub - sourav9098/mlproject](https://github.com/sourav9098/mlproject))

Text Summarization Project: Text Summarization Project using Natural Language Processing and Frontend Using Html , CSS , JS and Flask Framework.....

(GitHub Link : [GitHub - sourav9098/Text-Summarization-Project](https://github.com/sourav9098/Text-Summarization-Project))

Fruits &Vegetables Detection: Various Types Of Fruits and vegetable detection using Keras Dataset and Using Convolutional Neural Network.....

(GitHub Link : [sourav9098 \(Sourav Ghosh\) · GitHub](https://github.com/sourav9098))

Kolkata , West Bengal , 700110

Souravghosh2002gnit@gmail.com

SKILLS

Machine Learning Developer

Deep Learning + OpenCV

Font-End Development : HTML, CSS , JavaScript

Database : MY SQL

Frameworks : Python Flask

Version Control : Git & GitHub

Programming Languages : C , Java, Python

Efficient Communication

Ability to work in group

Information gathering

DSA in Java

Excel and PowerBi
